Together in Christ

In Christ the whole building is joined together ... and in him you too are being built together to become a dwelling in which God lives.

Ephesians 2:21-22

Good News

From the Principal's Office - 10/20/2021

Something that is "different" about Crown of Life from the previous school I served is our Family Groups. I thought Family Groups were just that you got to sit with others in your family. I was very mistaken. Family Groups are groups of about 16-18 students. These students are put together in these groups at random. There are 1-3 students from K-8 who are in each group together. Normally you are NOT with other members of your family.

The purpose of Family Groups is to get all of our students familiar with each other throughout their years here. It helps build relationships that may have never been. It helps build care and concern between students among different rooms. It helps build our sense of community and family. That's what Crown of Life is. We are a family of believers. We are the Crown of Life family. It is a blessing and privilege to be a part of this family with your students and all of you!

See if your kid(s) can tell you:

Which group they are in?
Where they are in the small picture?
Who else is in their group?
