Hot Meal	Goldfish Pretzels	Honey Mustard	Any recipe is a great recipe when it becomes a family favorite. And when it is comforting, flavorful and of lip-smacking taste, it elevates the cooking and dining experience to another level. This Stew recipe is one such for my family. This recipe is fondly tied to my memories, as my sons enjoyed having it so often when they were young. With an awesome baker (my wife) in the house, I am the one who holds the position of chef. My amazing oven and I make an awesome team. Together, we never cease to excite the taste buds of my family. - Brandon

Week II	<p>"Cooking and baking have always been a passion of mine. Growing up in a large family with 8 siblings, our parents taught us the importance of eating healthy and caring for our bodies. We grew our own produce, picked up fresh eggs & milk from the neighbor almost daily, and our father would make Saturday morning trips to the local meat market. My mother baked fresh bread and/or cookies daily! That was our treat after walking down our mile long driveway where the bus picked and dropped us off.</p> <p>Both of our parents were great cooks and bakers. We neither went to restaurants nor ate convenience foods until I was age 13-14. Boil-in-a-bag dinners were the hot ticket item back in the day but we got that "treat" only on Fridays! My mother went into the work force when I was 12 and this is when I started to prepare meals for my family.</p>	Meatball Sub w/Mozzarella		Brunch Lunch	Tex Mex Wrap
