**Looking for Art Adventure Volunteers!** – Any parent interested in volunteering as a “Picture Person” for the Art Adventure program through the in January should contact Mrs. Mielke at [penny.mielke@colwsp.org](mailto:penny.mielke@colwsp.org). This program teaches art appreciation and critical thinking skills to our students in grades Preschool-8. The time commitment involves 1 hour of classroom time per week for 3 weeks in January, plus the required training session at the Minneapolis Institute of Arts via Zoom in November or December. Please consider volunteering in this way!

## From the Principal's Office – 11/05/2021

Many of you already know this, but the 1-4 grade students are putting on a play tonight and tomorrow. Seeing the students learn lines, learn songs, practice where to look, practice timing, discover how to react, and be told to ALWAYS FACE THE AUDIENCE has brought a flood of memories from my own participation in plays. It is so amazing to see the students' talents be brought out. Some of them are discovering a love of theater that will last a lifetime.

I will readily admit that in all my years teaching and helping with plays, I am always nervous the day of the play. You never quite know if EVERYONE is ready. You never quite know if EVERYONE will actually show up. You never quite know if ALL the lines have been memorized. You never know all these things, but every year I do know that the Lord has blessed the productions. Smiles were on the faces of students, parents, grandparents, and siblings. People laugh at the silly jokes. People clap and recognize the amazing work that's been put into the production. The students are using their gifts and abilities, and the Lord has promised to bless.

It is my first CoL production. I am looking forward to tonight and tomorrow. I'm looking forward to seeing many of you here celebrating our amazing students. To God be the glory!
