

Parent's Night Agenda

August 2022

1. Our 2022/2023 class
21 students: 10 boys, 11 girls
2. Weekly 4th Grade Schedule
3. Yearly COL Schedule
4. Homework:
 - Expect about 40 minutes (most likely less!) of homework a night.
 - Keep organized with daily assignments written in assignment notebook handed out to the students.
 - Expect Memory Work Monday-Thursday night, and Spelling tests every Friday.
 - We will do a minimum of 3 research papers which may come home for some proofreading/feedback at the early stages of writing.
 - Saxon Math is a jump to textbooks and work done in notebooks. Please note that if your child brings Math home and asks questions, each problem gives a reference to pages where that concept was taught.
 - 3 Strike Rule for late work
5. Communication:
 - School number is 651-451-3832, ext. 113.
 - Connect with Mrs. Mielke on the Remind app for texting.
 - Email is pmielke@colwsp.org
 - Notes regarding appointments or any school concerns can be sent in assignment notebooks, via Remind, Email, or phone call.
 - Weekly 4th Grade newsletter is linked to the school newsletter (the Raider Review) each Friday.
 - Red folder will come home each Wednesday with completed, corrected assignments from the previous week
 - Please call the school office by 8:00 AM if your child will be absent. Also send a note specifying the date and reason for absence when your child returns to class.

6. Progress Reports:

- Check Gradebook (COL's online grading system) for current progress reports.
- Report cards are sent home quarterly. Please return signed report card envelope after reviewing your child's report.

7. Church Attendance Records:

- These are recorded by the student and kept in the classroom. Students can fill out which service was attended.

8. Covering and Care of Books:

- Students must have book covers for their 4 textbooks. They may also want to cover their personal Bible and Hymnal.

9. Supplies:

- Please refer to the COL supply list to ensure your 4th grader has all they need for the year. I will send a friendly reminder if your child is missing something essential for class.

10. Field Trips: (potential)

- St. Croix Lutheran Academy Children's theater performances
- Snowtubing
- Minneapolis Institute of Arts
- Big River Journey
- Dodge Nature Center
- Minnehaha Falls

We have gone in a bus to some past field trips, but often need parents to drive/chaperone if you'd be willing/able to join us!
