- K-8 Christmas Service Sunday, December 17, 8:00 & 10:30am
- Christmas Break begins December 21. School resumes on Wednesday, January 3, 2024

K-8 Children's Christmas Service Sunday, December 17– ALL K-8 students participate in both the 8:00 and 10:30am services that morning (please have students meet in their classrooms by 7:45am.) Teachers will supervise students in between services that morning. A snack will be provided for all students. Please set aside that morning and have your K-8 student/students here for those services. Thank you for your commitment to our mission at COL!

Lost & Found – Our Lost & Found is full to overflowing. Please check out the cart in the gym hallway to claim any missing items. The school door will be open on Sunday morning as well.

Call Updates – This past Sunday, the COL voters approved extending a Divine Call to **Dave Mielke** to be our principal next school year. Yes, this is the same Dave Mielke married to our 4th grade teacher Penny. Dave was one of the candidates listed on the call list provided by our District President, and is currently serving as a teacher and coach at St. Croix Lutheran Academy here in WSP.

Rebecca Kramer, our 2nd grade teacher, has received a Divine Call to teach grades 1-2 at Zion Lutheran School in Rhinelander, WI.

Please keep both of these called workers in your prayers as they deliberate.

There will be NO band lessons next week. Lessons will resume the week of January 8th.

The Giving Tree of COL - Are you looking for ways to donate/give back to our wonderful teachers? Consider purchasing an item from a teacher's online classroom wishlist. Attached is a document with each classroom's wishlist via a QR code. Scan the QR code with your phone camera to see their online wishlist. The QR codes are also posted on each classroom's door/window. These online wishlists will be updated and posted all year long. Thank you for supporting the success of our students and faculty! If you have any questions, please contact the PTN (ptn@colwsp.org).

Buck Hill Tubing on Tuesday, January 9 5:00pm - 7:00 pm - The COL PTN is sponsoring its First Annual Winter Family Fun Night. We will be offering an evening of tubing at Buck Hill, free of charge for tubers! Buck Hill is able to accommodate 250 tubers. To ensure that as many COL students get to participate, this event is only open to COL School families. If you have another child at a different school, they are welcome to join in the fun. This event is unsupervised - if you are signing up your student(s), they MUST have an adult present the entire evening. Adults do not have to tube. All tubers must be 42" tall and tubes will be provided by Buck Hill. Click HERE to sign up for this event. Please note that space is limited; if the signup fills, we will have a wait list. Please be mindful of other families - if you signed up, but your family/students are no longer able to attend, please contact Alison Footh immediately so another family can participate.

Student Teachers January 22 – March 29, 2024

Under the supervision of Martin Luther College's student teaching program, we will host two student teachers during our second semester, in our Kindergarten and 8th grade classrooms. We will need host families for these student teachers. There will be one male and one female. A stipend is provided for host families. If you are interested, please contact the office (April) or Mr. Vilski for further information.

Water Testing – Recently our Properties Committee tested the water in our building. We are happy to report that we are negative for lead content.

From the Principal's Office- 12/15/2023

Where is your focus? Quite often I have the opportunity to watch children during class, recess, lunch, etc. and it is always amazing to see what they focus on at various times. As a parent, I understand that often I have frustrations when my children are not focused on our conversation or what they're supposed to be doing. Still, when you actually take time to see the amazing focus they have on certain other things...it's incredible! Some of the doodles my 5th grade math students do on assignments belong in museums!!

Are you focused on Christ this season? It's easy to be distracted by a plethora of other things-I get it. This morning I was reminded at our Christmas practice that this is the time where GOD'S PROMISE OF SALVATION ACTUALLY BECAME FLESH! That can easily get lost or pushed aside in our busy schedules.

Let's take a lesson from my math doodlers- FOCUS! Focus on the Messiah, the Lord!
