**Gradelink Email issues** – We have learned from Gradelink that our email issues are due to recent industry tech changes, such as AI. This is causing some of our SmartSend emails to be mistakenly marked as spam by providers like Gmail, Yahoo, and others. Gradelink is working on the issue.

**September Student of the Month - Natalie Frey (8<sup>th</sup> Grade)**

This young lady is a HARD WORKING student-athlete. In class she is always willing to learn by doing her best and frequently contributing to discussions. On the volleyball court she is very competitive and acts as a role model by encouraging her teammates even when she is sitting on the bench. At recess she makes sure that others are included as she welcomes the younger students to play. Natalie Frey is definitely the definition of a Crown of Life Raider. Congratulations for being the **September Student of the Month!**
